These books are available for use only in the Library.

THE CRUST

Last year the Dean's Office received so many contributions to the Crumb in the form of light verse, essays, newsnotes of former Broad Loafers, editorials etc. that it was decided to run them separately from the Crumb under the title of "The Crust". The Office Staff is again more than willing to contribute its part in the printing of "The Crust" again this year if the members of the staff and the students indicate their desire to continue this custom through contributions of various items of interest to all Broad Loafers, light verse, essays etc. We would appreciate your comments as to the value of such a "periodical". Individuals who were at Broad Loaf last summer can help us greatly with by coming to us with suggestions, criticisms etc. Please hand them in at the Dean's Office to either Dr. Gay, Mr. Seymour or Mr. Nichol.

Office

It has been suggested that we announce that the Library has on its tables in the lower reading room a number of daily newspapers.

Tomorrow is the last day upon which auditors may change ~~from~~ to the status of students. If you intend to make further changes in your schedule, please see Dr. Gay today after dinner or tonight after supper.

The Bookstore has on hand a supply of films which may be secured at the regular Bookstore hours.

After the table change today, further table changes will be posted on a bulletin board outside the dining room. Announcement will be made through the Crumb when such changes will be made. In general they will occur Sunday at Dinner, Tuesday at Dinner and Thursday at Supper. Please be on the lookout for new seatings at these times.

There have been numerous suggestions as to car parking in the vicinity of the Inn. One suggestion has been made which seems worthwhile if ~~only~~ from the standpoint of safety. Cars parked on the main road anywhere in front of the Inn or the cottages are in danger of being hit by passing motorists; particularly is this true when cars are parked on both sides of the road. It is the opinion of the Management that car owners could help this situation greatly by parking their cars at the rear of the Annex or in back of the Inn.

We decline to be quoted officially regarding the weather, for it is one element that the Dean cannot control in the affairs of the school. Those of us who have been at Bread Loaf for some time have never seen so much evidence of moisture so early in the season. Mr. John Stoddard states that the last moon was cold and wet, and that no change in the weather will be possible until the change in the Moon. John has been here a long time. He probably knows! And the moon changes soon!!!! We assure you that the last few days are not typical of Bread Loaf weather.

The U.S. department of the Interior through its Office of Education has published a pamphlet "Summer Educational Opportunities" (No. 27) Concerning our Bread Loaf School of English:

"To Middlebury also belongs the credit of organizing the first summer school devoted to the study of English. The idea of establishing the school grew out of the success of the foreign language schools. The Bread Loaf School of English, so named on account of its situation near Bread Loaf Mountain, in the Green Mountains, was opened in 1920. Its location at a place 12 miles from Middlebury came as a result of a gift to the college of Bread Loaf Inn and the 30,000 acres surrounding it. The Courses of the English School are planned especially for high school teachers of English and those interested in the art of Writing. One instructor is provided for every 8-10 students. The conference plan of instruction is extensively used. It is a graduate school, requiring in general for admission a baccalaureate degree."

We are asked to remind you again of the danger of lighted cigarettes carelessly thrown down near the buildings. Needless to say we are anxious to preserve both the old and the new buildings. We are also asked to speak of cigarettes left burning in rooms. Several complaints have been made at our office that individuals have not used proper care in disposing of their cigarettes. We might say in this connection that we would appreciate your attention to this matter particularly in the new classrooms and Music Hall.

It was very pleasant to have a brief visit from Professor and Mrs. Edwin F. Mims of Vanderbilt University this morning.

Let not those who have expressed their willingness to graduate forget to meet in Parlor at 1.15 sharp, today.

A new film display has been posted. It will be taken down ~~later~~ Friday night. Please sign up today for those prints you want.

Mr. Knowlton of D.C. Heath Company has arranged an exhibition of texts on the porch near the Dean's Office. Everyone is cordially invited to inspect the display.

We have been asked to publish Clayton Hamilton's Tone-color Imitations which he read at the lecture the other evening.

Love-Silence

How else soever is the counter spell
Of water warbles 'neath the winter moon
Than solemn nunciators of the noon
Dream drawn and over after variable!
Mine eyes, an-hungered of the lily bell,
Broop to a boisterous, amphibious boon
Not otherwise than as a sighing swoon
Latent in labyrinthine fare-thee-well.

So in the wonder of a new-begot,
And yet unwearied, syllable of woe--
Wherefrom, alike, the pain is less than more,
My lady, anassembled of her lot,
Sleeps to a slinking music ever slow,
While shines the mist-heaved ocean on the shore.
Clayton Hamilton

All in a valley of vermilion
Drooped the dead king, until the sodden sun
Sang wistful to the wailing of the keel
That, interlocked, lost all. Then Percival
He who, of old, had wished, and, wondering,
Lapped to a lulled allurements of slow time,
With many a raucous clash of caravans
And rude reverberence of chattering tears,
Easy, had held, and, as it were, perturbed
The drifting picture, stalwart as he stood,
Gried, till the evening echoes woke and waved,
"A truce to pardon!" Seeing him, the sage,
Unmindful of soft fury, unbeknown
And needful, with a murmur, answered him:
"The ancient ardor paleth, and the new
Waxeth forgiving, and the gloom is still."
So, after earth, the anguish strove and strained
Past all believing, and the wearied knight,
Unresonant, betokened all was well.

Dallas Lore Sharpe Trail

The School is grateful to Mr. Knowlton of D.C. Heath and Co. for his work in cleaning up and in re-tagging the Dallas Lore Sharpe nature trail. New members of the school are reminded that the Trail which starts by the little log cabin near the tennis courts, and ends a quarter of a mile down the road, provides a very pleasant short walk.

Folk Dancing

The class in Folk Dancing will meet this afternoon at 4.30 in the Music Hall.

Names for Trails

A suggestion has been made that we ought to name some of the more better known trails in the neighborhood of the Inn. We already have one, the Dallas Lore Sharpe Trail; perhaps there are members of the School who would like to suggest names for others.

We have had to make some limitation on the Otis Skinner lecture for Friday night. Consequently we have had printed tickets in order to control the seating arrangements a little more closely. Each member of the School and faculty member is entitled to one ticket free, or in the case of family members staying at Bread Loaf for the entire season, tickets for them also. If you intend to have guests, tickets may be purchased at fifty cents per ticket. In as much as tickets sold elsewhere for this lecture are one dollar, we would appreciate consideration on your part as to the number of tickets wanted and for whom intended. If you have friends coming as your guests we feel compelled to reserve the right to consider each case individually as to number of tickets needed etc. Please see Mr. Seymour and inform him of your plans regarding tickets for guests. Further announcement will be made regarding the distribution of tickets to members of the school.

The School office will be glad to receive the dance subscriptions signed for on the list now at our office.

The Crumb - July 27, 1932

It is expected that Mr. Christian Gauss, Dean of Princeton University, will arrive this afternoon. He will speak to us tonight in the Music Hall at 7.30--subject to be announced.

The Bread Loaf Olympics under the haphazard supervision of those "willing to graduate" will begin at 3.00 P.M. on Friday of this week. In case of inclement weather the events will be postponed until next week.

There will be potato races, wheelbarrow races, peanut races, Faculty dashes, relays, and as a special favor to those members of the school who were present two years ago at the famous Bread Loaf Swoopstakes, another UMBRELLA race---if we can procure enough umbrellas in the Lost and Found department by Friday.

The officials now under consideration are well known for the fairness and straightforward frankness.

There will be no charge for admission, but all are cordially invited to partake generously of the refreshments which will be on sale.

You will find tonight after supper on the wall outside the Dean's Office an official entry board where you may affix your signatures under the events you will want to enter. Everyone at Bread Loaf is cordially invited to enter. Don't fail to make this affair as ~~gala~~ entertaining as two years ago.

To avoid misunderstanding we might add that the money raised at the field day will be added to the fund made possible by personal contributions of the willing graduating class to be used for the purchase of a gift to the school. In the past senior classes have given to the school articles which would not be included in any budget system of the administration.

The films now on display--the faculty, staff and school pictures will be taken down this evening and another film display put up. Please sign up today for those you will want.

Members of the School will be pleased to hear of the production of Sarah Atherton Bridgeman's "Blow Whistles" at the Beechnut theatre at Scarborough on Hudson on July 27. Mrs. Nridgeman has been a student at the Bread Loaf School of English and the Bread Loaf Writer's Conference.

Office

Dont forget to sign up on the bulletin board for those contests you will want to enter---Bread Loaf Olympics on Friday at three oclock.

The following are the hikes proposed for this weekend:

An overnight exploring expedition on Monastery Mountain for those who relish a touch of hardship and are willing to take rough travel without trails and sleep out under the stars. Party limited to ten. We have usually had each summer one exploring expedition, and of late years Monastery Mountain has challenged because no trails are marked on it. The party this summer will attack from the Hancock end and come over Philadelphia Peak.

A one-day expedition Saturday to Bread Loaf Mountain by way of South Lincoln and Johnson's log road. The party will carry lunch and supper and will have plenty of time at the new lodge and on top of the mountain--probably at Emily Proctor Lodge also-- and will be back at the Inn about 8.30 oclock. The distance to walk is only two or three miles each way but it is a considerable grade and sometimes climbing. This is an opportunity for those who do not wish to be away in the woods on Sunday; also for those who want to go on the top of Bread Loaf Mountain but do not like to make an overnight trip of it. Party limited to twelve.

It is hoped that in both these expeditions the transportation can be arranged without cost to the participants. If there is cost, it will be slight.

It is necessary to have the list in order to make arrangements. Mrs. Harrington and Miss Gay will be in the hall right after dinner this noon to receive names.

Thefolk dancing class will meet today in the Music Hall at 4.30.

Candidates who are more and more willing to graduate are asked to meet today in the Long Parlor at 1.15. ~~1.15.45~~

Christain Gauss has an article in the last issue of the Saturday Evening Post, and Claude M. Fuess who lectures here next week has an article on "Roosevelt The Democratic Hope" in the August Current History.

There are still a few members of the school who have not as yet called for their Otis Skinner tickets. Please do so today at 1.30.

NOTICE:

Will those members of the school who asked for extra copies of the Comprehensive Examination (which by the way is due to the efforts of one Dr. Gay and one Dr. Gott, and not to the mismanagement of the Crumb) may call for their copies today at the Dean's Office at 1.30

It has been suggested that anyone who so desires may attempt to answer the questions. Such answers will receive the kind attention of the Board of Overseers and if they compare favorably with the style of examination that is wanted will be printed in the Crumb, or in a bigger and better edition of the Crumb should it be needed. Hand in your answer to Mr. Seymour at the Dean's Office.

T H E C R U B July 29, 1932

It is expected that Otis Skinner will arrive today at Bread Loaf, and will speak to us in the Music Hall at 7.30 tonight. The doors will not be open until 7.25. Please use only the West Lawn entrance.

The Bread Loaf Olympics have been postponed until Monday afternoon at the same hour, 3 o'clock. The present weather conditions seem to indicate that a slight west wind would too greatly favor the time trials over the famous West Lawn downs. We do not wish to perjure Morrison's dash against time in the Faculty race, nor do we intend to let inclement weather and late nights affect Yeoman's and Nichol's prowess in the Pie-eating Contest. From the looks of the sky, as we go to press, weather conditions are propitious only for the Umbrella race--and all the umbrellas in the Lost and Found Department have been claimed -- Don't forget! Monday afternoon at 3 o'clock, weather permitting.

Professor Sharon Brown will read from the works of Kenneth Grahame, author of the GOLDEN AGE, DREAM DAYS, the WIND IN THE WILLOWS? etc. Sunday afternoon at 4.30 in the Library. All students and guests are cordially invited to attend.

The extra sheet at your place today is the result of certain bonors which Dr. Gott found at the reading of the College Entrance Examinations this last June. We are sure you will appreciate his making them available to you.

Don't forget that you are to answer the questions on the Comprehensive examination. Hand in at the Dean's Office.

The film display has been posted will be taken down Sunday. Please make sure that you sign up before Sunday for those prints you will want.

Lost: A pencil. Gold end and tip. Almost an orange shade. Please return to Dean's Office.

Bread Loaf News Notes

Mary Gross, 1930 writes that she is spending a week in Paris before going to England and Scotland for the rest of the summer. She says "My love ~~for~~ to Bread Loaf, please, and if there's anyone there I know, give him a hail from me."

Helen Hall, 1931 writing from her home in Shorborn, N.Y. says she misses Bread Loaf, but is trying to occupy her time reading any book which has a bright cover or large print, including "Well's Outline of History" and Morrison's A New Way to Better Golf". (Not Ted Morrison--ask Mr. Eaton) She expects to have charge of the college club plays in Passaic again next winter, in addition to her teaching.

Transportation - Tomorrow directly after dinner Mr. Yeomans will be in the Dean's Office to talk with you regarding transportation. If you have reservations to be made, connections to be made etc. please see him at that time.

It is the custom here at Bread Loaf, in view of the distance from the railroad, to purchase your tickets for you, check your trunks, make all reservations, and in short try to make all arrangements necessary for your trip home. Mr. Yeomans is in charge of this part of our duties, and will be glad to talk with you tomorrow afternoon after dinner. At your places tomorrow you will find a blank to fill out and handed in at the Dean's Office. Much as we regret the thought of the end of the session, we must plan in advance for the days of departure. Tonight at 8 P.M. the graduating exerciss of the School will take place. President Moody will preside and will present the diplomas.

Due to the fact that many members of the School have asked to have shown again the Movies given last evening, we have consented to show them again this evening after the graduation exercises. However, if you would like to cut that period short tonight in order to see the movies, we will be on hand to carry out your wishes. The movie of the Bread Loaf Olympics has arrived, and will be shown with those reels which we already have.
